58055	Gate, Rectangle Opening, Complete, for 8" and 10" pipe
58056-6	Gate, Keyhole Opening, Complete, for 6" pipe
58056	Gate, Keyhole Opening, Complete, for 8" and 10" pipe

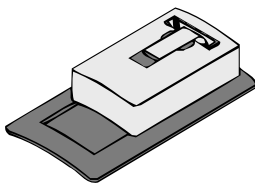

Gate Features and Benefits

- Made from automotive-grade ABS plastic and flexible PVC booting material.
- Super-tough, non-metallic, high-visibility orange screw allows for adjustment to prevent leakage.
- All-weather use – strong UV protection.
- Screw interlock maintains tension.
- Use a walking stick to open and close gate.
- Tool-free installation.

Also available...

Socks – for sandy or erosion-prone soil.
